

Penn Visiting Clerkships for Students Underrepresented in Medicine

Children's Hospital of Philadelphia | University of Pennsylvania Health Systems
The Perelman School of Medicine at the University of Pennsylvania

Visiting Clerkship Application Steps

1. Go to the PSOM Visiting Student [site](#) and click the VSLO link (or go directly to [VSLO](#))
2. Log-in to the VSLO site and search the for the **Perelman School of Medicine** under the Elective Catalogue
3. There are 2 search options to find our rotation offerings:
 - a. Search for **"URIM"** and all participating program specialties will be present
 - b. Search for your desired specialty and look for the "Visiting URIM Clerkship" rotation
4. Click the specialty of your interest and complete the application with the following required materials (to be directly completed in/uploaded to the VSLO site):
 - a. Student Info form
 - b. Immunization Record
 - c. CV/Resume
 - d. Transcript (official or unofficial)
 - e. Photograph
 - f. Proof of Health Insurance
 - g. Personal Statement
 - h. Letter of Recommendation (not required for Emergency Medicine; letters should preferentially be submitted by an attending physician in the specialty to which you are applying but any attending physician letter will be accepted)

Program information and rotation dates can be viewed here: [Penn Visiting Clerkship Info](#)
